

Tuesday, April 12

**Dear Student and/or Parent,**

On Thursday evening I photographed the performance of *Guys and Dolls*. I'm writing this letter to offer anyone a chance to order prints from the production if they'd like them. All prints are professionally developed, and 4x6, 5x7, and 8x10 prints are available.

The photos can be browsed online at this URL:

[http://www.dpetkofsky.com/photo/guys\\_and\\_dolls/all/](http://www.dpetkofsky.com/photo/guys_and_dolls/all/) (those are underscores “\_” between guys and dolls)

If you would like to order prints, please send an e-mail to [david@dpetkofsky.com](mailto:david@dpetkofsky.com) listing which photos you would like prints of, what sizes, and how many. (More detailed instructions below) My e-mail address is also listed on the website.

**Pricing:**

4x6 Prints	.....\$0.25(each)
5x7 Prints	.....\$2.00(each)
8x10 Prints	.....\$3.50(each)

**Processing:**

I will process (crop, sharpen, tweak, make black and white, sepia tone, etc.) all photos that you'd like to order free of charge. Please just mention it in the e-mail if you'd like something specific, such as black & white or sepia. I will sharpen and balance all images on my own that you'd like printed. Please also specify if you'd like to preview the changes before the print is made.

**Ordering:**

To order prints, please send an e-mail to the address listed in this letter and on the site specifying which photos (by name, ex. IMG\_0314), what sizes you'd like, how many prints you'd like, and if you'd like any special processing done. Please also include the name of the student who will be picking the photos up in the e-mail so I know who to contact.

**Payment and Pickup:**

Payment will be due whenever the photos are picked up. Cash or check is fine (checks made payable to David Petkofsky). I will place the initial order Monday, April 18<sup>th</sup>, and the photos will be available that Tuesday in school. I will then make orders as requests come in, and I will specify when the photos will be available via e-mail.

Thank you very much, and I hope you enjoy browsing the photos from the show!

-David Petkofsky ([david@dpetkofsky.com](mailto:david@dpetkofsky.com))
